

The Pickleball Club had our first tournament in two years over September 24th and 25th. The plans are already in the works for next year's tournament schedule - plan on joining us for more fun!

Our tournament director, Sheryl Ruth did an admirable job organizing the event, ably assisted by her band of assistants and line judges. We were delighted to see so many new players participating, and hope that will encourage more people to sign up next year.

Check the photo gallery to see pictures of all our winners!
