Big news for the Villages! The San Jose Planning Department has approved the planning permit for four new pickleball courts. Over 50 people attended the hearing at City Hall to show support for the project.

The next step is to develop a detailed cost estimate. This estimate will be presented to the Club Board and with approval there will be a membership vote. Every reasonable effort is being made to accommodate concerns from all Villagers in the hope that this project can progress smoothly.

Still wondering what all the fuss is about? Come on out and try pickleball, we welcome new players. We play all year, weather permitting, on tennis courts 5 and 6. Mike Walias volunteers his expertise every Wednesday and Friday from 1-1:30 to introduce and instruct new players on the basics of the game. No need to sign up, just show up! Wear comfortable clothes and court shoes.
