Why You Should be Playing Pickleball

1. You'll make new friends: you will meet active and social people.
2. Pickleball is fun for all ages: you can play with your kids and grandkids.
3. Pickleball is easy to play: previous experience with a racquet sport is a big help, but even without that you can soon be having great rallies.
4. Pickleball can be competitive: it is always nice to have goals to strive for.
5. Pickleball is great exercise: it is much more fun than a treadmill and will also help improve balance and hand-eye coordination.
6. Pickleball is good for your mental health: you'll laugh, a lot.

Our pickleball club is a supportive and inclusive group. Come join us.

We play on tennis courts 5 and 6, the smaller pickleball courts are marked with yellow tape. The wonderful Mike Walias volunteers his expertise every Wednesday and Friday from 1-1:30 to introduce and instruct new players on the basics of the game. No need to sign up, just show up! Wear comfortable clothes and non-marking shoes.
