Your Courts/Website Updates: none per Anahid

Tournaments: Sheryl will need more help with tournaments & is asking for "owners" for tournaments

Court Management Report: Don reported that one umbrella stand was damaged, but that maintenance fixed it. There is some question as to whether the current garbage cans will be the permanent ones, as they are somewhat flimsy. Don will check on that.

Publicity: Joyce was asking for ideas on articles for The Villager. Anahid suggested that she talk about the origins of the game & the fun aspects of it, after she has finished with the biographies for each Board Member. She will also continue with some tips.

Group Play Updates: Although the Novice Groups do not show the courts being full for all their sessions, they usually are because there are still people showing up without signing up. We can have no additional Open sessions per the Villages Bylaws—we are allowed 30 groups per week.

New Business:

- The Club Board has approved the purchase of the new Ball machine Shed. Don & Brooks will work with them on exactly what is needed so that The Villages can purchase it. Anahid will work with the EVF about donating for the shed.
- Rules Violations & Discipline Escalation: We have had no complaints to the Pickleball Board President and no feedback from the members after publishing our new policy on discipline procedure.
