 - Pickleball at Bocce Club (playing Bocce) went well. After losing all the games last year, we tied this year! Pickleballers rule 😊
 - Bocce at Pickleball Courts (playing Pickleball) was cancelled due to no signups by the Bocce Club
- The next tournament is scheduled for September 21st (Battle of the Paddles)
- Future Tournament possibilities:
 - Hold a tournament with the Tennis Club
 - Hold a tournament with the Administration
 - Hold a tournament with Silver Creek, which has started a club
 - Outside tournaments with Rossmoor, Mountain View & Sunnyvale. Anahid to send contact info to Sheryl
 - Discussion on how to rank people
 - Submit a request to the Tennis Club to allow additional tournaments (current limit 2). Anahid to forward the email restricting us to 2 tournaments to Betty, who will work with them. We'd also like to reduce the request time to one month.
- Ad Hoc committee -

We are still waiting to hear back from the city. Feeling is optimistic, but concern is that Google Village is taking priority in San Jose Planning. Once it comes back, the committee will become more active. Vote could conceivably take place in the December/January timeframe.

David spoke at an Olivas Town Hall. People should request their DAC have David speak at their meetings as well, especially since he's on the Association Board.
- Publicity –
 - Kudos to Linda for the excellent stories she's been writing and getting in the paper every week
