Mike – Court Study:

Got a report on the Court Design Study from Mowat. It is being reviewed. The noise study has been sent to Tom & Peter, and report is being reviewed. Concern about the size of the wall, whether an actual wall is needed or acoustical fencing can be utilized.

Plan needs to be presented to San Jose to determine how much remediation is needed. Progress is continuing to be made, it's currently one of the few projects advancing.

Betty: Opening balance – 587.72; closing balance 1,912.95.

Fundraising Report - Garry:

Total raised by Committee: \$62,900
