

The Villages Pickleball Club had a terrific end to our social events year with the finale of our Dink & Drink season. We had ninety-five people sign up to participate, partaking in our afternoon taco truck dinner provided by Citaly.

From the start, the courts were filled with people laughing, trash talking and playing Pickleball. Dozens more came by to watch, and enjoy the camaraderie shared by us all. We had players of all levels on the courts, and a frequent refrain was how they had made new friends and partners to play with in the future.

The food was wonderful – we had chips, dips, several variations of tacos, rice & beans, plus everyone's favorite... cookies! It was a very fitting end to the social season, our Social/Tournament Director Sheryl Ruth has done an amazing job during her tenure. While we're going to miss her next year, we know that Sherry Benz and Michelle McQuay will do an excellent job moving forward! Keep your eyes peeled for the release of our exciting schedule of events next year!
