

The Pickleball Club had its final Villages event of the year Halloween weekend – The Battle of the Paddle! All participants & attendees had a frightfully good time!

Saturday saw tense competition among the players, with the semi-finals and finals scheduled on Sunday. But mother nature had other ideas... we awoke to heavy fog and wet courts, making it too dangerous for competitive play. Club members came out in force using blowers and a hair dryer to dry the courts, and play resumed at 11:00 with the women's division.

There was fierce play, with Phyllis Seeger and Camille Hoffman emerging victorious over Sherry Benz & Kathleen Holt for the women's division, and Steve Simler & Mark Gregg beating Stan Evert & Harry Soin for the men's division.

We look forward to next year, when we start out social events again! Visit <https://villagespickleball.vgcc.club/> to see the full details, photos & tournament brackets.
