We thanked Michelle for her excellent suggestion & set up for all members having a Vial of life with them when they come to play. The New Ball Machine is being shipped on Mar. 13th. Members will be retrained on the new machine in the same order as they were trained on the old one. Old machine will be repaired & sold.
- New Business: We will get an official address put on the curb at the courts for Emergency Vehicle Use. that address is to be given out when calling 911. It is 2951 Villages Parkway.
