

Last Sunday, the second annual Taco Party was held, signifying the final Dink & Drink. The event was organized by Michelle McQuay and Sherry Benz, our two fantastic tournament directors. Sherry is in charge of tournaments, while Michelle is in charge of Dink & Drinks. Michelle outdid herself last Sunday! Was it sheer determination that held off the dire prediction of rain???

The event was a huge success, with over 100 people in attendance. The courts were packed with players of all levels, and there was a great atmosphere of camaraderie and fun, with laughter the loudest noise heard. Most of the time there were 8 to 12 paddles lined up to play next, leading to lots of new friendships!

The food was also excellent, with six different types of tacos freshly cooked and prepared. We've never gotten so many compliments! The event was topped off by a visit from Mr. Pickle (Todd Horvatic)! Everyone had a great time at the Taco Party, and we're already looking forward to next year!

Sherry & Michelle would like to thank all the volunteers who supported their activities throughout the year – too many to mention, but so appreciated!
