

The Villages Pickleball Club competed in the annual VGCC vs SCVCC Invitational last Sunday at Silver Creek. The event was organized by Sherry & Michelle, along with Villager Phyllis Seeger, who works at the SCVCC racquet sports venue.

The venue was beautiful, the food was amazing, and the Pickleball was tough. The format ranked the players on each team, with ranked teams playing against each other. In the first round, there were several hard-fought battles, with two Villager teams winning both their games - Joy Chen & Steve Yang, and Bert Tang & Srini Srinivasan.

Round two saw a swap, with teams mixing it up - 1 vs 2, 3 vs 4, etc. Tim McQuay & Mark Gregg won both their games. Joy and Steve split games this round, giving them 3 wins overall. The team of Bert Tang & Srini Srinivasan won both - making them our only undefeated team! Both Bert & Srini are both new to the game, with a great future in the game!

The final session was open play with a Villager & Creeker playing on each side. The trash-talking kicked in, with some very competitive games and a lot of laughter. So while we lost, 23-9, we had a blast playing, and look forward to the Invitational returning to the Villages in the Fall. We're also talking about inviting some of the Creakers over for some open fun play!

Overall, it was a great day of Pickleball and camaraderie. Thanks to everyone who participated!
