We will start a ladder at the beginning of the year, for whoever wants to participate.

- New Business: Nominating Committee presented the following nominees for the Pickleball Club Board: Vice President: David Wong. Secretary: Anita Currer. Publicity: Terry Holmquist. The Board approved all nominations.

Long range plan to make all the courts the same size, thereby allowing benches on every court.

A suggestion was made by a club member that we have a dress code. The Board voted this suggestion down.

Lucy suggested that we ask to make the golf cart spaces narrower & that we allow carts to be parked perpendicular to the curb.

The Board voted on & approved having a Social Membership for \$5/yr.
