

Visit our website for more information - <https://villagespickleball.vgcc.club/>, and click on the yellow icon “Group Play Signup” for the full schedule and information on how to sign up. Signing up on <https://www.yourcourts.com/> helps us to keep metrics and add additional sessions to meet demand.

The Pickleball Club has several “Group Play” sessions blocked for the enjoyment of current and new pickleball players here at The Villages. The purpose of these sessions is to have fun meeting and playing with other club members around your level, and learn to play different opponents with different styles. This is a GREAT way to form regular groups with new people as well! Many of the people you see on the courts started out in group play.

There are three levels of group play: Novice/Advanced Novice (includes skills training), Intermediate and Advanced Intermediate. These levels, as defined in the following link, can be used as a guide for which level is appropriate for your skills - <https://villagespickleball.vgcc.club/group-play/>. For the Novice/Advanced Novice Group, we have wonderful leaders available at each session. Larry, Donna, and Liz help guide participants into rotations. Our leaders use skill guidelines to determine which group is your best fit, allowing for varied play opportunities. It’s a great way for members to meet people, improve their play, and most importantly – have fun!

If you are new to pickleball, you should first contact Mike Walias (email mjw0275@yahoo.com) to schedule a demo session to learn how to play. You will then be ready to join the fun in the Group Play sessions!

Members can attend unlimited Group Play sessions, non-member residents are welcome to attend a session to see if they enjoy the sport before joining as a member.
