The Pickleball Club is rockin' again! After a hiatus during the pandemic, the Pickleball Club hosted it's first Clubhouse Event since 2019. Sherry Benz & Michelle McQuay led an able team of volunteers to make the event a smash!

We took a trip back to the 70's with popular Bay Area band Phil 'n The Blanks. Most of the attendees dressed up, ranging from laid back hippie to disco diva. With wild wigs and outfits, many were unrecognizable! The decorating committee led by Diane Finley & Tina Parsley did an incredible job of transforming the Clubhouse into 70's haven, including the cutest photo booth ever!

We enjoyed a delicious dinner menu from way back when, and an amazing burnt almond cake for dessert. But the focus of the party was on the dance floor. Phil 'n The Blanks got a break long enough for us to raffle off door prizes, but other than that people were dancing non-stop. We heard a few people had to cancel their court reservations because their feet were so sore!

This event kicks off our fun-filled schedule for 2024. Make sure to click the Calendar link to see all our events – monthly Friday Dink & Drinks starting in April, both internal and external Tournaments, BBQ Bocce event at the Gazebo and our 3rd annual Taco Party! Pickleball is great fun on and OFF the courts!

Taking a ride on the Magical Mystery Tour!

The dance floor was crowded all night!
