

The Pickleball Board is filled with dedicated people who to encourage new players, organize events, and most importantly - have fun! They all put in time to make sure the Club runs smoothly; so, we wanted to share your board with you.

- President Joyce Kludt has been playing Pickleball for years, and loves spending time with Don & puppy Cubby.
- Vice President David Wong comes from an academic background and bring us strong organizational skills.
- Anahid Gregg was a club founder who runs our website, YourCourts & communications.
- Treasurer Betty Olsen has also been on the board since our inception, and keeps us solvent!
- Tournament Directors Sherry Benz & Michelle McQuay organize all our fun events and tournaments. Hope you made it to that great dance earlier this month!
- Anita Curren is our new Secretary - she keeps track of everything that goes on – which is a big job!
- Don Kludt handles Court Operations, handling all management requests and keeping our courts in tip-top shape.

We're also supported by our chairpersons, who also do a lot to keep us going:

- Publicity Chair Terry Holmquist, was a former Club President!
- Membership Chair is Ginny Spencer, who also welcomes our new residents.
- Garry Gray steps up to Fund Raise when needed.
- Player Introduction is the Mike Walias, with follow up by Larry Martinson, Donna Quartaro, and Liz Kung. Ball Machine Training is done by Michelle McQuay & Larry Rosene.
- Melinda Dobbs is our Sunshine person.
- Lucy Pousho is our Past President, always available to pass on her extensive knowledge.

The Pickleball Club is extremely lucky to have such a talented group of people to ensure we continue to be a welcoming and fun Club! Stay tuned for more profiles from Terry!
