

The day before was scorching, but the ever-present Pickleball charisma brought moderate temperatures and a welcome breeze last weekend to our 2nd tournament of the year. The tournament was “May I Have This Dink?” – the guys ask the gals to play. If a gal hadn’t been chosen (you know those shy guys!) she could register in the wallflower suite hoping to be asked. We had 6 married couples in the draw and, at last report, everyone is speaking to each other.

It was quite a marathon for some players, especially the final match of the consolation round where Steve Kang/Joy Chen and Anahid/Mark Gregg completed the day with a total of 15 games of play! Full tournament results are located on our website at <https://villagespickleball.vgcc.club/>
