- **Communications:**
 - Created two reports for Clay which show total reservations made in all YourCourts environments and display weekly reservations for all clubs
 - Posted tournament information on website
- **Court Management Update:**
 - New clocks are phenomenal
 - Courts desperately need to be cleaned, many stains
 - Joyce requested an email be sent out advising only water is only allowed on the court
- **Tournament:**
 - No report, Sherry could not make it. Tournament this weekend.
 - A lot of discussion about the way tournaments are handled, in the end it was decided Sherry needs to be present for this.
- **Social:**
 - Michelle wants emails / signups for the Dink & Drink and other social events to stress this is not a tournament, it's a social event
 - All new volunteers are being utilized for the tournament; she is getting new people involved

- Big Dills was a success, but only 24 people attended. Thought is it will be much better attended next year after they saw what a good time it was
- Dink’N Dolls – 44 attended, it was a great turnout, and a terrific time
- We used the McQuay’s and Gregg’s grills for both events. Michelle requested that we purchase infrared grills for the Club.
A vote was taken and unanimously passed. Michelle is going to shop for a grill and report back to the Club
- **Publicity:**
 - Karen, Sherry, and Anahid wrote stories for August & September
- **Other Business:**
 - Discussed who should get cards mailed, decided only members for injuries; members & spouses for deaths. When a member dies, we will make a \$50.00 donation to VMA
 - Discussion of Portapotty for Pickleball & Tennis.
Lucy to send all correspondence to David, who will take over.
Anahid to send process for requesting EVF matches to the club
