

## **Pickleball Meeting April 10, 2025**

Meeting was called to order by the President at 4:31 PM

**Attendees:** David, Michael, Sherry, Anahid, Michelle, Joyce

Motion was made by Anahid to approve the minutes for March 13, 2025 and seconded by Michelle.

**Membership:** Anahid reported that we have a total 537 members, 100 non member residents, and 4 social members. She is still waiting to get the report from the Villages for members that don't live here any longer.

**Treasurer's Report:** We had no income for the month. Our total expenses were \$2421.14. There has been no billing from the Clubhouse for the Aloha Party. We should be getting back about \$5800 from the participants and the billing from the clubhouse should be \$5236.71. Our balance is \$23,260.98. There should be \$5,236.71. Going forward any time there is an event, the form has a bill to up at the top and that needs to be the Treasurer's name and email address. In the comments at the bottom, please send a copy to both the event planner and the Treasurer. See attachment at end of minutes.

**Michelle - Rossmoor Tournament:** We had 57 players and volunteers. She had a Costco expense of \$407.32. Kudos to Karen and she worked very hard to make sure it was a level playing field. It was a first for the Intermediate Play and it was very successful. Brian Dombrowski escorted people to the restroom with his golf cart. Rossmoor were great guests. They came with little gift bags. We have to remember that.

Another email will be sent out to sign for the Paddle Battle and the Spring Fling, The first Dink & Drink is tomorrow from 6-7:30. There was a question of why it is not 4:30-6:00. It was decided to see how it goes tomorrow to determine if we change it to 4:30-7:00 going forward.

**Pickleball Pro:** Michael and David spoke to Debbie Balloon and she would really like to get into the villages to teach. She is now teaching at Bay Club. She is certified and insured as is Gil Cepeda, who has already been offered. There was quite a bit of difference in costs between them. We are only approved for 5 sessions a week from 12-3:00. Then down the road when the villages take over they will be taking 30% of their fees. That and the limited of hours available for 2 trainers was not mentioned to Debbie. It was decided that both would be presented to Clay from the villages and maybe he can make a decision on one or the other or both.

**Aloha Dance Party** - it was a huge success. The decorations were fabulous. The only negative was the band. First Michelle was not told that they did not have their usual lead singer. There were complaints that he sang off key and did not play one slow song. Needless to say they will not be invited back.
